

11th World Toilet Summit

22nd -24th, November 2011

For more information please visit : <http://en.visithainan.gov.cn/hainanTourismEn/topics/WTS2011/>

Summit Programme

A comprehensive three day programme has been developed to address the fundamentals of creating a blueprint for a sustainable sanitation market place. The breakout sessions will provide the relevant perspectives for both urban and rural practitioners, while commercial and organizations participants around the globe have the opportunity to use this platform of workshops, sharing session for networking and developing ideas for the greater cause of better sanitation worldwide.
